Dear Mr. Garlitz:

Enclosed are your fully executed Department of the Army Permit and a notice of authorization which must be posted at the work site.

Please carefully read the permit and its conditions. In addition, if you have a contractor and/or agent, please review these conditions with them to ensure that the work is performed in accordance with the permit terms. Also be aware that other authorizations from Federal, state, or local governments may be required by law. If the work is not completed prior to the permit expiration date, you may apply for a time extension. We recommend you apply for a time extension at least 90 days before the expiration date of the permit.

If you have any questions, please contact Roy Loghry, at the above address or telephone (503) 326-6997.

Sincerely,

Byron Blankenship
